

## PUBLIC LISTENING SESSIONS

### Senate Bill (SB) 606 (Hertzberg) and Assembly Bill (AB) 1668 (Friedman) of 2018 on Water Conservation and Drought Planning

#### Objectives

- Provide background and summary of SB 606 and AB 1668
- Receive comments on the reference document, *"Making Water Conservation a California Way of Life: Primer of 2018 Legislation of Water Conservation and Drought Planning"* prepared by DWR with input from the State Water Board
- Solicit input on near-term projects for implementing SB 606 and AB 1668

#### Sessions and Locations

Date	City	Location
9/5	Sacramento	<b>DWR Resources Building Auditorium</b> 1416 9th Street, Sacramento, CA 95814 (This session will be recorded for online posting and future reference.) Webinar info: <ul style="list-style-type: none"><li>• <a href="https://global.gotomeeting.com/join/382204317">https://global.gotomeeting.com/join/382204317</a></li><li>• You can also join the session via your phone: +1 (872) 240-3212; Access Code: 382-204-317</li></ul>
9/7	Los Angeles	<b>Metropolitan Water District of Southern California</b> 700 Alameda Street, Los Angeles, CA 90012
9/11	Fresno	<b>Central California Asthma Collaborative</b> 4991 E. McKinley Ave, #109, Fresno, CA 93727

**Each listening session includes two parts targeting at different stakeholders and interested parties.**

- 9:30 am to 12:30 pm – Urban water use and drought planning (including small water systems and rural communities)
- 1:30 pm to 3:30 pm – Agricultural water use efficiency and drought planning (including small water systems and rural communities)
- Introduction and legislation background is repeated in both parts. See agenda on the next two pages for detail.

**Comments, suggestions and other input on the Primer and legislation implementation will be received by major agenda topic throughout the listening session.**
